

28 January 2026 – Capital Markets Industry Taskforce (CMIT) Meeting – Key Points Discussed

Introduction / Procedures

- Members approved the minutes of the previous meeting held on 12 November 2025.

Discussion of CMIT Focus

- Members discussed the ongoing focuses of CMIT as we enter a new year, reflecting on areas of progress so far to establish which areas to drive forward.
- A productive discussion took place around the best ways CMIT could partner with the ecosystem to support UK capital markets.
- Members discussed opportunities for convening the ecosystem in 2026 and strengthening a positive dialogue on UK capital markets culture through senior engagement.
- Members continued to support the need for increased domestic and international capital flowing into UK capital markets, as well as a focus on retail investment and a revitalised culture around understanding the purpose of the UK's capital markets to drive economic growth, support investment returns and support entrepreneurship. Members reflected on the future structure of CMIT, noting significant progress achieved across CMIT's original mission objectives.
